

ANNUAL REPORT

2020-2021

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great."

In our journey of attaining knowledge and excellence, we have been trying to make every day best and worthy. The pandemic breakout left us completely befuddled and the new disciplines have descended on us and we have experienced new norms and styles of existence. As we say, "If there is a will, there is a way". Our will to create a remarkable future for our students led us to a different mode of pedagogic perception. Online studies were initially a humongous task but instantly they got accustomed to it. They followed it and enjoyed the class time. St Joseph's School has been rendering very unique service to fulfill the noble goals of education for the last 18 years.

THE MOMENT OF VICTORY

"Work hard in silence, let success make noise".

We are happy to announce that our students of class 10th and 12th who appeared for their Secondary School Examination 2019-2020 & Higher Secondary Examination 2019-2020 respectively passed with flying colours. 22 students scored more than 90% in 10th class and 3 students scored more than 90% in 12th.

A NEW BEGINNING

"A Journey of thousand miles begins with a smile".

This academic year marked the launching of our official school page on face book on 8th May 2020, our Instagram page on 18th August, 2020 and our official YouTube channel on 27th August 2020. It's not only the platform to showcase the efficacy our students but also a major step to enhance their talents and motivate them to come out with their supreme effort every time they make an attempt. The Medias

also enable them to maintain a lively relation with their parents and society.

Art Integration- Art Integration is a teaching-learning process through Arts. It provides a learning environment for learners through their own access points. Art Integration was introduced in this academic year.

Google Classroom - Introduction of google classroom was an 'icing on the cake'. Online classes were a big relief to students as well as parents. But mobile issues were obvious. Google Classrooms ease the teaching - learning procedure. Separate subject classes were made accessible to students without any complications of storage or memory. Chapters were always available in case the student wanted to refer even days later.

VIRTUAL CELEBRATIONS 2020-2021

"Every day of your life is a special occasion".

Outburst of corona virus led not only to the online classes but also to an online celebration. We sternly believe in paying equal importance to both curricular and extracurricular activities. Virtual celebration paved the way for our uncompromising desire of celebrations to freshen up our kids. Praveshnotsav being the first virtual celebration on 1st June 2020. It was a video to welcome our new comers. Students prepared a video for them by passing light of glory and education. It was then followed by many such celebrations. Environmental day, Reading day, Anti- drugs day, Basheer Anusmarana Dinam, Hiroshima day, Independence Day, Farmer's day, Teacher's day, Hindi divas, Gandhi Jayanthi & Republic day. Active participation of our dear children is noteworthy and highly appreciative. Even online they want to be the part and parcel of their school's celebration.

WEBINAR

"It's not just about ideas, it's about making Ideas happen".

Webinars have now taken the place of seminars.

That implies no excuse for learning. A few webinars were conducted in this academic year. A Malayalam webinar was organized on the topic "Loka Naattarivu Dinam". The webinar unfurled was on the traditional assets of Kerala, including agriculture, medicine, folk songs, dance, etc. It was programmed on 22 August 2020 under the supervision of Malayalam department. A Webinar in order to motivate the students of class 9th to 12th was conducted on 3rd October. The topic was " Energizing power for Adolescence". An English webinar was organized on October 3rd October, under the direction of English department for 10th standard students.

COMPETITIONS

"Competitions reveals the greatness that's already within you".

Both curricular and extracurricular talents are equally polished in St Joseph's. Competitions are just the apt platform for it. Their hidden talents along with their desires unveil through these competitions.

World Photography Day: - A competition for both students and teachers was conducted on this occasion on August 19, 2020.

Arts Day: - Online Arts competitions were conducted on September 11 and 12. Competitions were well organized and scheduled so perfectly, that both students and teachers could easily carry out the process. A good number of students participated, with the same enthusiasm and vigour as always.

English Fest: - English fest was conducted under the charge of English department. New online items were included this year. Participation was high and on time.

Mathematics Quiz And Workshop: - On the occasion of birthday of the great mathematician, Sir Sreenivasa Ramanujan, Maths department conducted Mathematics quiz and workshop for the students. They presented various models for the workshop, making the event successful.

Keraleeyam 2020: - Malayalam fest was con-

ducted under the supervision of Malayalam department. Competitions for 10th students was a part of this fest. Recitation, Extempore, Painting, etc. were part of this competition. Their paintings were exhibited through a video also. "Keralithoode Oru Yatra" was a video prepared for this fest displaying the districts and other features of our state, Kerala.

Onam And Christmas Celebration:- Especially festivals are always delightful. Only because, there is no offline class, we didn't want to snatch the happiness from our kids. We conducted online celebration, through google meet. They sang, spoke laughed and enjoyed, and their smile made our day.

Carol Song Competition: - On the occasion of Christmas an Interschool Carol competition was conducted among the educational institutions under CFIC province. Our students bagged the 1st position.

OLYMPIAD EXAMINATIONS

"A goal without plan is just a wish".

Like every year, this year also Olympiad Examinations were conducted for our students. Exams were online. Exams for General Knowledge, Mathematics and Science were conducted. A good participation was seen in these examinations.

DIGITAL MAGAZINE

School Annual Magazine is an imminent part of an academic year. We are working on a digital magazine this year and striving our best to bring the finest before you. We hope this magazine will also be accepted and appreciated as usual.

EXAMINATIONS

"Success is never final. Failure is never fatal. Its courage that counts".

Online examinations were conducted in this academic year. As every year, this year too we could conduct every exam, though online. Answer sheets were valued by the teachers liter-

Esperanza

ally and then sent back to students. This year also we chose the badge winners and toppers for every exam and were awarded virtually.

LET'S BEGIN THE SESSION

"Every child you encounter is a divine appointment".

On Children's day, the students were endowed with a lovely gift by their teachers, a gift in the form of a short film. It was the very first attempt in this field by the teachers. The film was named 'Let's begin the session.' It received lot of appreciations and support from all. Students showered love and thanks on their teachers. The film was based on the concept of struggles of a teacher and of a parent during this pandemic situation. If you haven't watched it yet, Scan or Click the QR below

CONCLUSION

So, this was all about the academic year 2019-2020. This online academic year was obviously, a tough year comparatively. But our desire to give the best was more intense. Therefore, even online, we have made it. We tried giving them the positive push, with a bright smile, a word that 'you can' and lo, we did it together. Thanks to all the members of Josephite family for your warmth, love and support. Thank you for being with us.
